7 UNITED STATES DISTRICT COURT
8 FOR THE EASTERN DISTRICT OF WASHINGTON

9 UNITED STATES OF AMERICA,

19-CR-00213-RMP

10
11 Plaintiff,

Discovery Status Report

12 v.

13 REBECCA JO WIKLUND,

14
15 Defendant.

16
17 The United States of America, by and through William D. Hyslop, United States
18 Attorney for the Eastern District of Washington, and David M. Herzog, Assistant United
19 States Attorney for the Eastern District of Washington, having met and conferred with
20 Ms. Lorinda Youngcourt, counsel for Defendant Rebecca Jo Wiklund (“Defendant”), in
21 the above-captioned matter, hereby submits the following discovery status report,
22
23 pursuant to the Court’s pretrial order. (ECF No. 14.)

24
25 1. On December 18, 2019, a Grand Jury returned an Indictment charging
26 Defendant with one count of Distribution of 50 Grams or More of Actual (Pure)
27 Methamphetamine, in violation of 21 U.S.C. § 841(a)(1), (b)(1)(A)(viii). (ECF No. 1.)
28

1 2. On the same date, the Court issued a summons for Defendant's appearance
2 on January 7, 2020, before the Honorable John T. Rodgers, United States Magistrate
3 Judge. (ECF No. 4.) After a detention hearing on January 7, 2020, Judge Rodgers
4 ordered Defendant released. (ECF No. 13.)
5

6 3. On January 9, 2020, the Court ordered counsel to meet and confer regarding
7 discovery by no later than January 21, 2020, and to submit this report within three days
8 thereafter. (ECF No. 14.)
9

10 4. On January 17, 2020, counsel for the United States met and conferred with
11 defense counsel, regarding discovery and the submission of this status report. Counsel
12 for the United States explained that the United States would be producing discovery as
13 soon as the Court granted the United States' motion to unseal a previously-sealed
14 GPS/historic cell site warrant (a "ping" warrant). The defense agreed that this was a
15 satisfactory plan.
16
17

18 5. As of January 21, 2020, the Court granted the United States' motion to
19 unseal, and the United States produced discovery to the defense, including the ping
20 warrant, a search warrant application, substantive reports documenting Defendant's
21 alleged conduct, video and audio recordings, Defendant's criminal history report, and
22 screen shots of text messages.
23
24

25 6. Neither the United States nor Defendant have any additional discovery
26 issues at this point, but will contact the Court if necessary to resolve any discovery issues
27 that may arise.
28

1 7. The United States is producing discovery to Defendant via the USAFx
2 system. During the week of January 21, 2020, the United States sent a letter to defense
3 counsel outlining the USAFx discovery production system and explaining how to access
4 the discovery in the case. The United States will continue to produce discovery using this
5 system on a rolling basis as any new discovery becomes available and is processed into
6 the system.
